What are the best things about this class and your instructor?

very helpful and cares about student's learning  
goes out of his way to make sure we understand.

What things need improvement? Any suggestions?

• Professor needs to let him know what's going on.  
- he is not always prepared but it is not because of him being lazy,

What are the best things about this class and your instructor?

Great instructor!  
Examples are wonderful!!

What things need improvement? Any suggestions?

Other comments?

The reason for the "no comment" under preparedness is b/c the actual instructor didn't seem to communicate well enough w/ Soumya to actually tell him what we needed to learn. So I didn't see his lack of preparedness as his fault.
