What are the best things about this class and your instructor?

The instructor was very knowledgeable of the subject, and did a tremendous job of teaching tricks that help solve problems. It was also great how the instructor would e-mail us with notes on things if we didn't have time to cover it in class.

What things need improvement? Any suggestions?

None

Other comments?

Great Job, I learned a lot.

What are the best things about this class and your instructor?

He did a great job explaining how to solve problems, and he is very knowledgeable.

What things need improvement? Any suggestions?

Sometimes, Sounya would go very in depth on the algebra of the problems, taking up time for other problems. The algebra, we didn't need as much of an explanation for.

What are the best things about this class and your instructor?

The instructor spoke in a clear voice and went into a lot of detail when explaining problems.

What things need improvement? Any suggestions?

The instructor was a little too descriptive on some things and gave us unnecessary information.

Other comments?

Overall challenging course. Glad I made it through in one piece.

What are the best things about this class and your instructor?

In recitation I was able to comprehend the material that was elusive in lecture. The best part was Sumya taking the time to the difficult concepts in terms that made more sense, more practical than formal definitions.

What things need improvement? Any suggestions?

I don't think so.
